Frame Your Barbie®

The "Pink Ribbon" Barbie® Doll was released in 2006 as a wonderful tribute to the Susan G. Komen Breast Cancer Foundation. Joining the fight against breast cancer, the doll wears a pink organza gown featuring a Shirred design and tiers of ruffles. An attached pink ribbon proudly states Barbie® Doll's support. A sparkly, tulle stole and long pink gloves complete the ensemble.

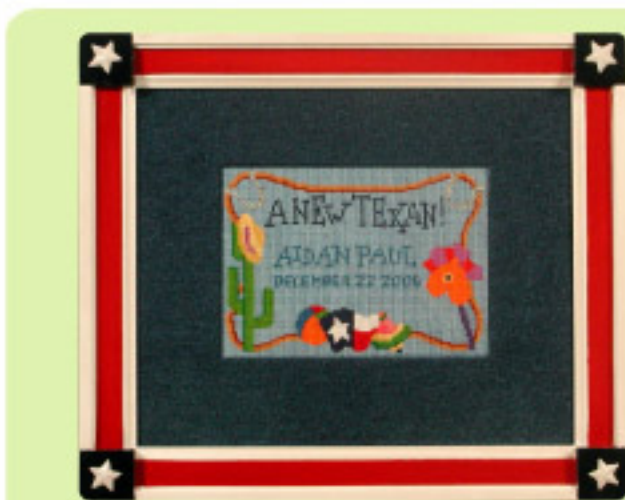

Actually Bradley's completed the presentation by framing Barbie® in our brand new, on the edge, glitter moulding. This elaborately stacked frame features a "hot pink" metal accent. The glitter moulding comes in 2 sizes and 3 colors: black, light silver and dark silver. We left Barbie® in her box (who knows what it will be worth) and created an opening in the back so the information about the Breast Cancer Foundation may be viewed and read. The glamorous doll is protected with anti-reflective Museum Glass.

Bring your Barbie® or Ken to Bradley's for our special framing treatment. If you bring us a Barbie® to custom frame before the end of 2007, we'll make a donation to the Susan G. Komen Breast Cancer Foundation in your name.

You framed a WHAT?!?!

Joyce Schulze brought us a box of treasures that represent memories of her Mother: photos, newspaper wedding clipping, pearls, a rosary, and the prayer book she carried at her wedding, just to mention a few. We had recently framed a similar group of items for Joyce's husband, Bob, so we chose to use the same antique silver cap frame with ecru and brown mats. Steve stripped the paper off of the ecru mat board so we could print captions to go under each of the photos. What a lovely way to display these family treasures. Thanks, Joyce & Bob.

Welcome to a new Texan! Veda Hackell stitched this precious needlepoint announcement for a friend. Since Aiden is a true-blue Texan, he has Texas-Star frame to prove it. The needlepoint was blocked and stretched and matted with denim linen. Our special red/white/blue patriotic star frame completes the story. Thank you, Veda, what a great gift!

Another gift was brought to Bradley's by Shelly Ragsdale. She was giving a friend one share of Harley-Davidson stock and wanted something spectacular. Shelly and Lucy settled on a hand-painted black glass mat with flames in "Harley" orange.

The colors on a glass mat are richer, brighter and shinier because they are painted on the inside of the glass and reflected through to the front. They chose an aluminum moulding that appears to have rivet holes – totally perfect for a Harley document. Shelly, we appreciate your allowing us to be "creative". Thanks!

NOTE:

We just received information that the post office is raising postage on "flat mail" which includes our newsletter from 24% to 82%. If you can possibly accept our newsletter via e-mail, we would be very grateful. If you can, when you come in to have something framed, just mention that you would like e-mail newsletters, and we'll give you an extra \$15 gift certificate.

Thanks, Bradley's

Antique Print Trunk Show & Sale

bradley's art & frame

at Memorial Antiques & Interiors

8719 Katy Freeway

Houston, TX 77024

713.827.9990

June 21st thru June 24th

Thursday Evening Preview – 6-8

Friday & Saturday – 10-6

Sunday – 12-4

We'll have thousands of prints: botanicals, architectural, wildlife (cats, dogs, bunnies), fashion and topography by hundreds of artists. There will be framed prints available for sale along with the huge selection of unframed art.

This event is at our Katy Freeway location within Memorial Antiques & Interiors.

Please call for additional information. A map and more details are on our website: www.bradleysartandframe.com

If you have any questions about prints in your own collection, feel free to bring them in for an evaluation by our experts. This will not be an appraisal, but an expert opinion. Ask a Bradley's expert to check your framing – Are the materials acid-free? Does the glass filter UV? Is the print separated from the glass? Is the back sealed against dust and bugs?

We can help!!
